Sir

Re Grant of scholarships to students who undergo training in the Sri Jayachamarajendra Occupational Institute Bangalore

I have the honour to state that the Special Officer of the Institute in his letter No 6484 dated 7th December 1942, proposed the grant of scholarships to a few selected students out of the Municipal funds to enable them to undergo the necessary training in the Institute and the letter was placed before the Municipal Council at their meeting held on 22nd December 1942 when they passed the following resolution

"At present the Council has no details regarding the number of students and the manner in which the students are to be selected and whether these seats are to be definitely allocated to the Mysore City The Municipal Council has however no ob-

objection to grant two or three scholarships of Rs 15/- each provided the scholars are bonafide residents of the Mysore City for over 10 years.

A copy of the resolution was sent to the Special Officer on 29-12-1942 calling for his opinion as to whether the proposals made in the resolution are acceptable. In his letter dated 8th May 1943 the Special Officer has accepted the proposals. The grant of scholarships out of Municipal funds is a discretionary power of expenditure and under Section 61 (m) sanction of Government is necessary. The cost on this account amounts to (15 x 10) or Rs 150 per scholar if the scholarship is tenable for 10 months only and the Council is agreeable to sanction a maximum of 3 such scholarships per annum.

I request you therefore to kindly obtain sanction of Government to the grant of the same out of the Municipal funds on the conditions contained in the Council's resolution.

I have the honour to be
